

EXPEDITION RENTALS DAMAGE WAIVER

The Expedition Rentals Damage Waiver is an internally administered program to cover every day accidental damages up to a maximum of \$ 500.00 that occur to our equipment from time to time. We hope this program will encourage customers to report damages to our equipment, then we can repair potential safety issues immediately and keep everyone safe on their work sites. **The DAMAGE WAIVER is NOT INSURANCE** and does NOT protect the Customer from liability to Expedition Rentals or others arising out of possession, control or use of the Equipment, including injury or damage to persons or property. This program fills a void in many customers' insurance policies where the deductible may, in cases, be higher than the damage costs.

What is covered - Expedition's Damage Waiver will cover the cost to repair or replace tools and equipment that have been damaged during the normal course of use during a rental, or, accidental equipment damage and vandalism if accompanied by a Police Report up to a **maximum** amount of **\$ 500.00** per Rental Contract. The Damage Waiver carries a cost of **15%** and is automatically calculated into the rental invoice, it is not refundable.

By signing Expedition Rental's Standard Terms the customer agrees with, and accepts the Damage Waiver, the customer will become responsible for all damages or replacement costs over \$ 500.00.

Exclusions - Expedition Rentals will not waive any claim for loss or damage to tires and tubes caused by blow out, bruises, cuts, punctures or other causes inherent in the use of the Equipment: or any damage whatsoever resulting from intentional misconduct or negligence of the Lessee in the use or handling of the Equipment. Such losses shall remain subject to the terms of the Equipment Rental Agreement. Claims will also be denied if damage is due to overturning, overloading equipment, or, using equipment for purposes other than the intended purpose or capacity of the equipment. Filling a reservoir with the wrong type of fluid (for example filling a DEF tank with diesel, a radiator with windshield washer fluid) will also exclude a claim.

The Damage Waiver is **MANDATORY** for all non-account (CASH) customers or account customers who cannot provide proof of insurance coverage.
